Sir:

In the Notice of Allowability mailed August 4, 2005, the Examiner allowed claims 88-124. Although the applicants' attorney agrees with the Examiner's conclusion that these claims are allowable, the applicants' attorney notes that the claims may be allowable for reasons other than those identified by the Examiner and does not concede that the Examiner's characterizations of the terms of the claims and the prior art are correct.

Respectfully submitted,
